

Actuaries: Job Hunting - A Practical Manual for Job-Hunters and Career Changers

By Stephen Gladwell

EMEREO PTY LTD. Paperback. Book Condition: New. Paperback. 86 pages. Dimensions: 8.8in. x 5.8in. x 0.4in. Through their knowledge of statistics, finance, and business, actuaries assess the risk of events occurring and help create policies for businesses and clients that minimize the cost of that risk. For this reason, actuaries are essential to the insurance industry. Actuaries analyze data to estimate the probability and likely cost to the company of an event such as death, sickness, injury, disability, or loss of property. Actuaries also address financial matters, such as how a company should invest resources to maximize return on investments, or how an individual should invest in order to attain a certain retirement income level. Using their expertise in evaluating various types of risk, actuaries help design insurance policies, pension plans, and other financial strategies in a manner which will help ensure that the plans are maintained on a sound financial basis. This book gives you good solid advice and great strategies for getting interviews and landing the job as Actuary. To Prepare for the Job this book tells you: - The training and education needed- Earnings- Expected job prospects- The jobs activities and responsibilities- Working conditions To Land the Job, it...
