Bloomsbury Publishing PLC, United Kingdom, 2005. Hardback. Book Condition: New. 200 x 154 mm. Language: N/A. Brand New Book. There are some people who never have bad hair days. Eggheads, skinheads, slapheads - Bald explores in depth the world of those whose heads are covered more by air than hair. A shining light in the field, Kevin Baldwin (his real name) examines the cultural, psychological and sociological history of baldness. From its suggested causes such as an excess of virility, cycling or cerebral activity, to supposed miracle cures - rubbing in bat milk or curry, to the more extreme measure of castration - Bald takes us on a marvellously entertaining tour through this far from barren subject. And no, the pages of the book aren't susceptible to falling out.
