Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Editorial Bertrand Russell Was Wrong; Human Creativity Can Overcome This Crisis! Jan 21You know, those of you who have not become personally totally demoralized, you know that this country and much of the world are in an existential crisis. This is far worse than 2008, and far worse than 1929. In the United States, you would have to go back to the pre-Civil War period, or to the time before our Revolutionary War, to find such a level of threat to our country. Nations including our own could effectively cease to exist before this cruel winter ends. This is a season of death here. Cut off from hope, cut off from a useful existence, cut off from everything, many of our citizens are simply going out to kill themselves, whether with heroin or firearms. In the trans-Atlantic area, we have a disaster which has apparently little or no future for mankind. However, in terms of Russia and China, we do have something that could be the answer to the problem. You have to understand that the history of mankind in recent times, has been that Asia has been a different region from the trans-Atlantic area. And its the trans-Atlantic area, as centered in the British Empire, which is the primary source of all the evil thats hitting now. The key to understanding this, is the history of the British Empire. The British Empire is the source of evil, whereas you have a different possibility available in terms of Russia and China. For mankind, there is always an available solution to this kind of problem. Where does it lie? It lies in human creativity, and yes,...
