

## The Community-Scale Permaculture Farm: The D Acres Model for Creating and Managing an Ecologically Designed Educational Center

---

By Josh Trought

Chelsea Green Publishing Co, United States, 2015. Paperback. Book Condition: New. 251 x 201 mm. Language: English . Brand New Book. With practical examples of alternative building, renewable energy, holistic forestry, no-till gardening, hospitality management, community outreach, and more The Community-Scale Permaculture Farm describes not only the history of the D Acres project, but its evolving principles and practices that are rooted in the land, its inhabitants, and the joy inherent in collective empowerment. For almost twenty years, D Acres of New Hampshire has challenged and expanded the common definition of a farm. As an educational center that researches, applies, and teaches skills of sustainable living and small-scale organic farming, D Acres serves more than just a single function to its community. By turns it is a hostel for travelers to northern New England, a training center for everything from metal- and woodworking to cob building and seasonal cooking, a gathering place for music, poetry, joke-telling, and potluck meals, and much more. While this book provides a wide spectrum of practical information on the physical systems designed into a community-scale homestead, Trought also reviews the economics and organizational particulars that D Acres has experimented with over the years. The D...
