Have you ever looked at a shooting star and wondered where it came from, how far it has traveled, and how much farther it has yet to go before its journey ends? I have come to believe that my time spent on this earth was for a purpose greater than I myself could ever have imagined. I am a cat. In *Nine Lives*, authors April Kautzman and Tom Gumbert explore the historical application of tolerance and intolerance through the ages from ancient Egypt to a new beginning for mankind as witnessed by a cat through nine unforgettable lives. As our narrator takes us through this remarkable journey, it reminds us . Chief Dan George, a very wise man, once said, If you talk to the animals, they will talk with you and you will know each other.
