AUTHORHOUSE, United States, 2009. Paperback. Book Condition: New. 224 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.The PURSE Prayer Bible study was inspired and developed with the desire to share key Bible Study principles from a simple perspective. God's greatest commandment, His plan for our salvation, and His plan for our lives are all very simple. Sometimes it is the simple and obvious things that we over complicate, take for granted or even let go unnoticed. What do we all hold dear and panic when we can't find it? What can possibly reveal more about us than any other item in our possession? What may even be thought of as a mini survival kit? It's our purse! The symbolic significance and the PURSE acronym of prayer unites repentance and salvation for everyone became the outline of the study. When the concepts of this study were shared with other women, it was their acknowledging nods and smiles that encouraged the further development of this study to be shared. This six week Bible study is designed so that each lesson includes; prayer, discussion, an interactive exercise using a purse or purse accessories, and study of selected scripture references. Sessions facilitate Bible study, while encouraging bonding of the group participants with open sharing and lots of laughter too. Make it your Bible Study and girls night out event for the next six weeks!.
