Excerpt: . instantly, by gently pulling on the head and rotating it in all directions; and any chronic complaint, except cancer, total deafness, or total blindness, by a continuation of the same method. Concerning diarrhoea, this same authority says: Bending the patient backward, with the knees pressing on the back just below the last rib, will instantly cure any case of looseness of the bowels, from common diarrhoea to flux, and a continuation of the treatment will cure any case of chronic diarrhoea. Now, then, if we are to analyze the foregoing quotations, we will find that the profession in question is making assertions which will not always work out in practice. Take for example their claim relative to diarrhoea: When a diarrhoea is caused by a cancerous condition of the rectum, it cannot be cured by the prescribed method. And in many other cases...
