Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Dedalus Press, Ireland, 2012. Paperback. Book Condition: New. New.. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.In this third collection of his poems, Irish poet Joseph Woods again returns to the theme of travel, at once deepening and expanding the concerns of his earlier work, while he also explores the meaning of return and homecoming, of being abroad in one's own place and of seeing the familiar from a new perspective. Childhood memories and experiences are renewed and refreshed, the past and the future echoing each other, from the child in the opening poem imagining myself in some ship's open hold / while Morse code drifted in from the kitchen to the closing poem where an old man on a wet lane of fuchsia-laden hedges / on the damp island of Chiloe might have straved out / of my country decades ago.
