Naxalism and Anti-Naxal Operations : Why the Nation has Been Failing

By Anjali Nirmal

Aavishkar Publishers, 2014. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1st Edition. Naxalism has been described by the prime minister as the single biggest threat to the internal security of this country. The country has deployed about 1.5 lakh soldiers for combating the menace of naxalism. We are spending well over Rs. 5000 crore every year on anti-naxal operations. Yet, more than 6000 people have died in naxal-related violence since 2005. The naxals may be less than 20000 in numbers but they have managed to defy the might of the nation for 47 years! Obviously, something is very seriously wrong in our understanding of naxalism and also our approach to tackling it. This book analyzes both issues and shows how best to deal with naxalism. This is the most comprehensive book on naxalism and anti-naxal operations. This book provides you, among other things, a complete overview of: · History of the naxal movement · Organization of the CPI (Maoist) · The naxals strategy, tactics and other activities · The lack of a doctrine of counterinsurgency in India · The reality of anti-naxal operations and why they have been failing · Intelligence failure · Unaddressed legal issues related to counterinsurgency...
