

## Photoshop Elements 4

By Craig Hoeschen

Peachpit Press, 2005. Softcover. Book Condition: Neu. Gebraucht - Sehr gut Unbenutzt. Schnelle Lieferung, Kartonverpackung. Abzugsfähige Rechnung. Bei Mehrfachbestellung werden die Versandkosten anteilig erstattet. - IntroductionWelcome to Photoshop Elements, Adobe's powerful, easy-to-use, image-editing program. Photoshop Elements gives hobbyists, as well as professional photographers and artists, many of the same tools and features found in Adobe Photo shop (long the industry standard), but packaged in a more accessible, intuitive workspace. Photoshop Elements' friendly user interface, combined with its bargain-basement price, has made it an instant hit with the new wave of amateur digital photographers lured by the recent proliferation of sophisticated, low-cost digital cameras and scanners. Photo shop Elements 4 provides new tools and workspace enhancements that not only help stretch the bounds of your creativity, but also help to make your quick photo corrections and creative retouching even simpler and more fun than before. In the next few pages, I'll cover some of Photoshop Elements' key features (both old and new) and share a few thoughts to help you get the most from this book. Then you can be on your way to mastering Photoshop Elements' simple, fun, and sophisticated image-editing tools. 466 pp. Englisch.

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*

-- Prof. Kirk Cruickshank DDS

*This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better than never. I found out this book from my dad and I encouraged this pdf to find out.*

-- Justus Hettinger
