Agate Bolden. Paperback. Book Condition: New. Paperback. 256 pages. Author and essayist Kiese Laymon is one of the most unique, stirring, and insightful new voices in American social and cultural commentary. *How to Slowly Kill Yourself and Others in America* is a collection of his finest essays, touching on subjects diverse as family, race, violence, celebrity, music, writing, and coming of age in the rural Mississippi Gulf Coast. Laymons writing is always honest, while also being alternately funny, lacerating, and wise. From his biting critiques of race politics to revelations of his own internal struggles with American blackness, Laymon taps into an ongoing conversation that is played out consciously and subconsciously across all of our artistic, cultural, political, and economic...
