Brand New Book ***** Print on Demand *****.Growing up in Louisiana, I was taught that receiving an education is valuable. However, if you have attended a top Ivy League school and received the highest degree in academia, but you do not have common sense you will not be able to function in society. I have always enjoyed the company of my elders. From my mother, my elders and the Bible, I have had the privilege of learning many things. I have not always known what my elders, my mother and the Bible meant when they said certain things, but I have learned if you live long enough, there is the propensity that you may learn a thing or two. This book is only a minute sample of phrases that have impacted my life and Bible quotes as they pertain to my life. It is a possibility you may have heard some of these sayings and they may mean something else to you. The title of this book, Decrees and Declarations of Authenticity, simply means I am decreeing and declaring my opinions of the following statements. Again, these opinions are mine.
