

The Layman s Weather Guide: Pogonips

By Sheridan D. Jones, Wally E. Kohl

AUTHORHOUSE, United States, 2005. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book. The weather by Pogonips will answer questions about the weather and give you realistic tips on how to make your own weather guess. Despite the fact we focus on the central Oregon coast, our weather tips and facts will serve you well wherever you are in the world. You do not need to read Pogonips from front to back like a novel in order for it to make sense. The sections are discreet and inclusive so you can open it up wherever you choose. Pogonips will provide you a pleasant and informative read. When you have a weather related question you will easily find it answered in an understandable way regardless how technical the concept may be. This book is a good educational tool at any level of experience and knowledge. We think the most valuable parts of the book are the parts that help you interpret data and set up your own weather station. Combined with these sections we recommend the information on how to estimate events like wind speed, even though you are not at your weather station. By reading...

Reviews

It in one of the most popular publication. It really is writter in easy words and not difficult to understand. You are going to like how the author write this book.

-- **Prof. Evans Balistreri DDS**

Completely essential go through book. This is for all who statte there had not been a worthy of reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.
